

## **REGISTRATION GUIDELINES AND RULES**

Registration forms need to be completed, signed and handed in to the Secretary (Tracy Cerff) with the required R400 registration fee or proof of payment thereof.

1. From the 1st of March 2021, if you are not registered to play and your registration fee hasn't been paid, you will not be allowed to get on the ice. If you have registered but haven't paid the fee, you will also not be allowed onto the ice.
2. NOTE: Players in arrears with their fees from the 2020 season will need to make a repayment arrangement with our Treasurer, Nasir Khan before they will be allowed to register for 2021. Any arrears in fees from seasons prior to 2020 will need to be paid in full before you will be allowed to register for the 2021 season. No repayment arrangements will be made for fees owing prior to the 2020 season.
3. Registration forms need to be completed in full please – particularly jersey number / height and weight / right-handed or left-handed / team played for (Penguin/Storm) / current age. Please ensure that you have included the correct email addresses and contact numbers.
4. No registration will be accepted unless all forms are completed in full. Most importantly the Acknowledgement of Debt form has to be completed in full and signed by the person responsible for paying the account.
5. Once your registration form has been accepted by WPIHA you are automatically agreeing to pay your fees in full from the 1st monthly for the 2021 season.
6. If you register in the middle of a month, your registration will be back dated to the beginning of that month and your fees pro-rated accordingly.
7. If you stop playing, a month's notice in writing needs to be sent to both the Secretary and Treasurer. If no notice is given, your fees will accrue and you will be liable to pay whether you are playing or not.
8. In case of injury – if you have been booked off all sport for a month or longer, please give a copy of your doctor's certificate to both the Secretary and Treasurer. It will be decided whether you will be given a fee grace period while you are off the ice.
